

Volunteer Program

The mission of our volunteer program is to create a pathway for our community to assist us in areas you are passionate about while also acknowledging and rewarding you for your passion and support of Marquette Mountain.

We also understand of the cost of entry and participation in this sport we love. This program creates a way for our community to mitigate some of that cost and make the mountain more accessible and inclusive.

We are excited to provide this opportunity!

The image features a large, faint watermark of the Marquette Mountain Resort logo. The logo is circular, with the word "MARQUETTE" at the top and "MOUNTAIN RESORT" at the bottom. In the center is a stylized "MM" where the top of the letters is formed by mountain peaks and the bottom by a valley. There are also small circles representing trees or snow.

Join us on the mountain, we're excited to meet you!
